## **1. Introduction**

### **The Hong Kong Council of Social Service (HKCSS)**

The Hong Kong Council of Social Service (HKCSS) is a federation of non-government social service agencies of Hong Kong. We were established in 1947 with the aim to plan and coordinate large scale relief works and social welfare after the Second World War. In 1951, we became a statutory body under the Hong Kong Council of Social Service Ordinance, Chapter 1057 of the Laws of Hong Kong.

The Council has since become an essential partner of the Hong Kong Government in social welfare and development. Today we represent more than 500 Agency Members that provide quality social services through their 3,000 operating units in Hong Kong.

### **Project Name**

S+ Summit cum Expo 2025 - Venue Decoration and Production

### **Project Description**

HKCSS has all along created various platforms to unify our society in tackling different issues. Not only do we connect with more than 500 social service organisations, but we also bring together professionals, corporates and the government to support the advancement of social service. With S+ Summit cum Expo, HKCSS will encourage cross-sectoral partnership with the theme of "Co-creation". It will continue to focus on the "Sustainable Development Goals (SDGs)," inviting organizations from various sectors to showcase and introduce innovative solutions aimed at addressing social issues. The topics covered will include poverty elimination, health and well-being, equality and inclusion, sustainable consumption, and sustainable cities and communities.

The S+ Summit and Expo 2025 will be a two-day event featuring a series of forums covering a wide range of topics, along with an exhibition. The S+ Summit aims to engage the social welfare sector and stakeholders in identifying key social agendas for the future development of social welfare in Hong Kong, while deliberating and showcasing innovative service ideas, interventions, and their social impact. The S+ Expo will serve as a platform to bring together NGO practitioners, business representatives, social enterprises, and philanthropists from various sectors. Therefore, we are seeking a professional contractor to help set up the venue and ensure the smooth execution of the event.

**21. Marking Scheme for Tender Evaluation and Evaluation Criteria**

- 21.1. Marking Scheme for Tender Evaluation  
Responsible persons will use this marking scheme for the assessment of tenders.  
Weighting of are assigned to the technical assessment and financial assessment respectively. The marking schemes are by three stages, including:

**(1) Stage I – Technical Criteria Evaluation Stage**

In Stage I, the tenders will be assessed against the technical criteria (this item could be determined by making reference to the points in the tenderers' performance according to the evaluation criteria) relative to the tenderers' quality and experiences. The tenders must attain an overall passing score. Tenders which fail to obtain a passing score in any one of the items will not be considered further. For those tenders that are able to attain passing scores in all items, their technical scores will be calculated by using the following formula:

$$\text{Technical Score} = \% \times \frac{\text{technical mark}}{\text{highest technical mark among those conforming tenders}}$$

## (2) Stage II – Financial Evaluation Stage

In Stage II, financial proposals of the tenders which have passed Stage I assessment will be assessed. A maximum financial score will be allocated to the tender that offers the lowest price. The financial score for each tender will be calculated by using the following formula:

$$\text{Financial Score} = \% \text{ X } \frac{\text{lowest price among those conforming tenders}}{\text{tender price}}$$

## (3) Stage III – Combined Technical and Financial Score Stage

In Stage III, based on the technical and financial assessments in Stages I and II, a combined score for a tender will be calculated as follows:

$$\text{Combined Score} = \text{Technical Score} + \text{Financial Score}$$

21.2. The major evaluation criteria of RFP will include but not limited to:

1. Quality of the Candidate's Submissions
2. Cost of the Candidate's Submissions
3. Ability to comprehend and deliver full services with professionalism (technical and project management)
4. Proven track record and experience for the provision of similar services
5. Have a good sense of understanding with and/or past experience working with the non-profit Sector

## 22. Payment Schedule

22.1 Upon acceptance of the proposal, the contract sum will be paid in accordance with the following schedule:

Work Stage	Percentage of Lump sum payable
➤ Upon the confirmation of the work	40% of the total sum

schedule	
➤ Upon satisfactory completion of the event	60% of the total sum

-- End --
